The most important copies and series are signed or provided with a photographic guarantee certificate from the most famous philatelic experts. The numbering, for philately, refers to the Sassone catalog for Italy and the Italian area, to the Yvert et Tellier and Unified catalogs for Europe and to the Yvert et Tellier for overseas. For the numismatics catalog Gigante. The reference to other catalogs will be specifically indicated.

2 - The published photographs are decisive for the centering, perforation, margins and any possible visible defect.
